Family BINGO Night

Family BINGO Night is a FREE night for families to have fun together! We have lots of great prizes! Don't miss out!!!

We also have lots of good information about Title I.

A performance by Mr. Deep Positivity!

Also, a PTO cupcake sale...25¢ each!!!

Message from our School Nurse

Mrs. Therien Tout

Head Lice

Preventative:

- Parents have the primary responsibility for their children, by thorough hair brushing and observation for signs of head lice.
- If your child has head lice, please do not be alarmed. The most common way for transmission is head-to-head contact during play, sleepovers, and camp. Lice does not jump or fly, but they sure can crawl fast! Lice shampoo should NEVER be used as a preventative measure.
- Head lice is NOT a sign of an unclean home. They have been around for thousands of years.

Treatment:

- There are many treatment options available, including some that contain non-toxic chemicals. Your doctor may recommend appropriate treatment. Be sure to follow all instructions. Your child may return to school as soon as the shampoo has been used, you have removed as many nits as possible, and you have cleaned personal items.

Parent / Teacher Conferences

It is very important that all parents attend Parent/Teacher conferences. (Bring your children along if you need to!) All parents that attend will receive a free raffle ticket to win a holiday basket!

No school - January 2, 2012

Return to school - January 3
