There will be food, fun and activities. So come join all the fun on October 26th from 6:30-8:30 PM. Appropriate costumes may be worn.

FALL FUNDRAISER

Our first fundraiser will be released around the end of October. Details will be sent home with students.

IMPORTANT REMINDER:

Please be sure to follow the traffic rules in front of the school. Fines will be given to those who do not obey the traffic laws.

From the Nurse's Office:

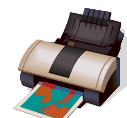

Parents please teach your children how to properly use the crosswalks and crossing lights. Please do not let your children off in the middle of Mendon Rd. or Lambert Ave.. Pull over and have them get out on the sidewalk side away from traffic. Children should walk to the corner of Lambert Ave. and wait for the crossing guards. Remember you are your child's biggest role model. Have a safe and healthy school year.

Mrs. Trudeau, School Nurse

Save the Box Tops!

We will continue the "Box Top for Education" program this year. Please note that we will also be back to collecting Campbell's labels. Box Tops and Campbell's labels should be placed in a clear sandwich bag with the students name, grade and teacher's name.

Please send in your used printer ink cartridges so we can use them in the recycling program.
